Núria	Fillò	MS center Barcelona	Spain	OT

#### Agenda

1. Election chair/co-chair
2. Preparation in-between meeting Milano
3. Miscellaneous

---

#### 1. Election chair/co-chair

The RIMS board received two nominations for the positions of chair and co-chair of SIG Occupation.

Candidates for these positions:

Daphne Kos (B) – Chair

Tarja Huilla (Fi) – Co-chair

All participants consent with these proposals.

Daphne recognizes Stephan for the contribution in SIG Occupation and welcomes Tarja as co-chair.

#### 2. Preparation in-between meeting Milano

Next in-between meeting of SIG Occupation will be held in Milano on November 9-10 2012.

This will be a co-meeting with SIG Mobility.

Outline in-between meeting Milano

- ½ day common session with SIG Mobility on upper limb function
- 1 – 1 ½ day separate program

- Common dinner and lunch

For SIG Occupation our proposal is the following:

- During joined upper limb session on Friday morning (November 9): 1-2 presentations of SIG Occupation concerning assessment/treatment of upper limb functionality to share with SIG Mobility
  - ➔ suggestions:
    1. Treatment based on forced use – approach used in stroke – Núria Fillo & colleague PT
    2. Case report concerning integration upper limb in daily life – Jelka Jansa & Zorana Sicherl
    3. Vampira: influence on upper limb function & ADL – Inger & colleague PT
- Friday afternoon & Saturday morning: subjects concerning clinical and instrumental assessment & rehabilitation of activity & participation
  - ➔ suggestions:
    1. Update project MS-cognitive disorders (result of joint meeting with other SIGs) -> preference to present this during next RIMS/ECTRIMS meeting
    2. PIDA wheelchair test – Pascal Vanderbeeten
    3. Neuromuscular taping: influence on spasticity & oedema – Tarja Huilla
    4. Occupation: concept and assessment – Daphne Kos
    5. In-between report of AMPS study – Daphne Kos & Jelka Jansa
- Somewhere during the meeting: meeting of AMPS research group (2h)

All contributors are asked to send their exact title to Daphne as soon as possible.  
Daphne and Tarja will finalize the program and inform all members

### **3. Miscellaneous**

The RIMS president requested suggestions for next RIMS/ECTRIMS meeting in Copenhagen (October 2013).

One suggestion: Prof. Gaissmaier (who had a very interesting lecture during the welcome reception)

*See you in Milano!!*

*Regards,  
Daphne*
