Transport

We would recommend the following choices of transportation:

Flight

For your flight we suggest you to choose the airport: Oslo Lufthavn Gardermoen.

There is another airport in the eastern part of Norway (Sandefjord-Torp lufthavn (TRF)) but this is located very far from Oslo (1,5 hours by car/bus from Oslo)

From the airport to the hotel

You can choose between the public train (www.nsb.no) or airport express train (www.flytoget.no). Both have frequently trains from the airport to Lillestrøm and the both use approximately 10 minutes. The airport express is more expensive than public train. You want to get off at Lillestrøm station. Please note that some of the airport express train do not stop at Lillestrøm.

From Lillestrøm station, Storgaten is the main street in Lillestrøm with shops and restaurants (parts of Storgaten is for pedestrians only). It is possible to walk from the station to the hotel (8-10 minutes).
