Excursion for RiMS conference participants

We invite you to the largest department of the Regional Charity Červený Kostelec, which is a non-state and non-profit organization.

St. Joseph's Home is the only residential facility in the country dedicated exclusively to clients with advanced multiple sclerosis. With more than 20 years of clinical experience, the center shares its expertise through lectures and workshops for clients, families, healthcare professionals, and social service providers.

Mgr. Kamila Voňková event coordinator

Kamila is a physiotherapist specializing in the care of people with secondary progressive multiple sclerosis. In her clinical work, she combines classical physiotherapy with ergonomic approaches, focusing on wheelchair seating and assistive technologies. Her long-term goal is to promote maximum independence in people living with advanced-stage multiple sclerosis.

Pavλίna Klecarová, BBA event coordinator

Pavλίna is responsible for the project administration. She is the contact person for this event, so please contact her if you have any questions.
