

# Towards Improving balance and gait in MS: Programme of XIV SIG Mobility In-Between Meeting 2011

Carme Santoyo, PT  
MS Day Hospital

ASSESSMENT OF MOBILITY: RECOMMENDATIONS  
AND PRACTICAL IMPLEMENTATION

# RIMS 14<sup>th</sup> SIG on MOBILITY – Barcelona, September 30<sup>th</sup>-October 1<sup>st</sup> 2011

“Treatment of  
balance and gait  
in MS”

# Aim of the meeting:

To get in depth in balance and gait rehabilitation strategies through:

- Scientific and clinical presentations.
- Clinical or practical sessions (f.e. patient cases, demonstration of technology, group sessions).
- Collaborative sessions about publications, news or ongoing multi-centre studies or other.

Also free presentations are welcome!

# Preliminary programme
